RIZQ

Managed HIPAA Security and Cyber Edge Compliance

Breach Costs:

RIZQ Services:

- 24/7 Security Operations Center
- 24/7 IT Monitoring Network Operations Center
- Managed HIPAA Tech Compliance
- Managed Risk Assessments
- Cyber Security Awareness
- vCIO and vCISO
- Flexible and Accessible Pricing

- The modern Information Technology landscape no longer has a clear security perimeter.
- Your PHI now lives and flows in a complex network of on-premise, private and public clouds.
- Hackers and Bot Nets are increasingly efficient and effective.
